## SUPPLEMENTARY INFORMATION:

On October 2, 2013, the Department initiated an administrative review of the Order on laminated woven sacks from the PRC covering nine PRC firms for the POR.<sup>4</sup> As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.<sup>5</sup> Therefore, all deadlines in this review have been extended by 16 days.

The merchandise covered by the Order<sup>6</sup> is laminated woven sacks.<sup>7</sup> Laminated woven sacks are bags or sacks consisting of one or more plies of fabric consisting of woven polypropylene strip and/or woven polyethylene strip, regardless of the width of the strip; with or without an extrusion coating of polypropylene and/or polyethylene on one or both sides of the fabric; laminated by any method either to an exterior ply of plastic film such as biaxially-oriented polypropylene (“BOPP”) or to an exterior ply of paper that is suitable for high quality print graphics. Effective July 1, 2007, laminated woven sacks are classifiable under Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings 6305.33.0050 and 6305.33.0080. Laminated woven sacks were previously classifiable under HTSUS subheading 6305.33.0020.<sup>8</sup> The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the order is dispositive.

<sup>8</sup> Additional HTSUS considerations apply. See Preliminary Decision Memorandum.

## Methodology

The Department has conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (“the Act”). For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, which is hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, room 7046 of the main Department of Commerce building. ## Background

The Initiation Notice states that “[i]f a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review...it must notify the Department within 60 days of publication of this notice in the Federal Register.”<sup>9</sup> None of the nine companies initiated for review filed “no shipment” certifications. The Initiation Notice also notifies the firms initiated for review that they “must complete, as appropriate, either a separate rate application or certification” if they want to qualify for a separate rate in this administrative review.<sup>10</sup> None of the nine companies initiated for review filed separate rate certifications or applications. Thus, because none of the nine companies initiated for review have provided the Department with either a “no shipment” certification or separate rate eligibility documentation,

The Department intends to issue the final results of this administrative review, including the results of our analysis of issues raised in the written comments, within 120 days of publication of these preliminary results in the Federal Register.

#### Assessment Rates

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. The Department announced a refinement to its assessment practice in non-market economy ("NME") cases.<sup>15</sup> Pursuant to this refinement in practice, for entries that were not reported by companies examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that

entered under that exporter's case number (i.e., at that exporter's rate) will be liquidated at the NME-wide rate.<sup>16</sup>

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed PRC and non-PRC exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate (i.e., the firms listed in footnote 14), the cash deposit rate will be that for the PRC-wide entity; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to the importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
